

dignity® Conversations

What assumptions have I made about the situation?

Am I open to new perspectives and ideas?

What can we do to reach a win-win solution, with respect and mindfully taking note of our concerns?

What can I learn more about our problem?

Do we know why this conversation is happening?

Are we willing to acknowledge our role in this issue?

How can I make others feel heard, accepted and included?

Am I honouring my own dignity first and foremost?

What do we think about diversity?

dignity® Conversations

How do we
conduct our
due diligence?

Are we storing
our institutional
knowledge in
the best way for
us to recollect
it?

Where can we be
more grateful in
receiving inputs
for our workflows
and in delivering
outputs?

Why are we resistant
to nurturing positive
workspaces? What is
our #1 obstacle?

As a leader/manager,
can I trust my teams
to deliver?

What are common
miscommunication
patterns that
reoccur?

When it comes to
restructuring, I am
confident my team
still continues to
deliver value?

Where have I been
complacent in
allocating time and
resources to grow
my relationships?

Why do we have to
be strategic about
our time, talent
management and
outcomes?
